Monmouth-Ocean Educational Services Commission (MOESC) is not responsible for the child on any day the child is absent from school.

Your child cannot attend aftercare if they are absent from school. If a child leaves school prior to school closing, the child's name should be added to the school's absentee list.

The school principal's office will be responsible for providing a list of absent students to the School Age Child Care (SACC) Program Careperson on a daily basis.

It is the responsibility of the school to add the child's name to the school absentee list if your child leaves school prior to closing.

If your child is in school but will not attend the SACC Program, you need to do the following:

- *Call MOESC @ 732-389-3192 ext 1090 (leave a message)
MOESC will notify the SACC Careperson*
- *Send a note with the child to the primary teacher*

If you need to take your child out of school for a dental appointment etc., but will be bringing your child back to finish the school day, your child may attend the SACC Program. You need to do the following:

- *Call MOESC @732-389-3192 ext 1090 (or any other number from the front of this booklet, **DO NOT LEAVE A MESSAGE**)*
- *Give a note to the school principal's office to state that your child will be attending the SACC Program.*

Children cannot attend SACC if they were not returned back to school by the close of the school day.

BEHAVIOR PROCEDURE

The SACC Program follows the children's behavior procedure in order to provide for the safety of each child and the MOESC staff in attendance at our SACC Program.

A serious disciplinary problem is defined as one in which a child is hampering the smooth operation of the SACC Program by:

1. *Requiring constant one-to-one attention*
2. *Inflicting or threatening physical or emotional harm to a child or children*
3. *Physically or verbally abusing a child or children and/or the staff*
4. *Destroying program material and/or facilities*
5. *Leaving the program without permission or without an authorized pick up person*
6. *Using profanity*
7. *Suspension from the regular school program*
8. *Not conforming to the rules and guidelines of the program*

It is the SACC Program's goal to resolve behavioral problems by working with the child(ren), parent and carepersons through effective communication. However, should a discipline problem arise, continue, or be of a serious nature, parents will be notified in writing. Continued difficulties will result in a conference between parents and the SACC Personnel. If the problem is not resolved or is of a severe nature, a child may be suspended or terminated from the SACC Program. MOESC follows the zero tolerance procedures set forth by the public school district for children and parents.

CELL PHONE FOR PARENTS

The SACC Careperson at each program has a cell phone for emergency usage during the SACC Program. The SACC Careperson will distribute the phone number to each parent in September at the start of the school year. If your child enters the SACC Program after the 1st day of school, obtain the phone number directly from the Careperson.

You may contact the SACC Careperson for an emergency situation. The phone will be on during the hours of the program.

If you are going to be late picking up your child, it **is your first responsibility** to contact your emergency person(s) to pick up your child. In the event that you cannot reach an emergency pick up person, you can telephone the SACC Careperson stating that you will be late. You will be charged a late pick up fee.

(\$30 for up to ½ hour late per child; \$60 for ½ hour to 1 hour late per child)

You need to keep calling until you speak with the SACC Careperson. There are times when a cell phone will not make a connection and therefore your voice mail will be delayed for a long period of time. As a result, the SACC Careperson will not have received your message.

Do not call the SACC cell phone to notify the SACC Careperson your child will not attend the program. Call the SACC office at 732-389-3192 ext 1090 to inform us of the absence and we will notify the school and SACC Careperson. The SACC cell phone is for emergency purposes only.

YOUR CHILD'S SAFETY IS OF THE UTMOST IMPORTANCE TO US DURING THIS PROGRAM. We have established this line of communication for you in the event of an emergency; however, please reserve this usage for emergencies only.

CELL PHONE FOR CHILDREN DURING SACC PROGRAM

We will not permit the SACC children to use their personal cell phone during the SACC Program (this will include texting). All personal cell phones must be off and kept in a backpack or purse during the SACC Program. If a parent needs to contact their child and/or Careperson they must use the SACC phone. Children will be permitted to use the SACC phone if they need to make an emergency call to their parent/guardian.

EMERGENCY MEDICAL CARE

The emergency medical forms completed by the parent or guardian at the time of registration will be utilized in handling the emergency medical care of children. **It is the parent's responsibility to update these forms with any changes desired or deemed necessary.**

When necessary the SACC Program will perform immediate first aid treatment. For accidents in need of emergency care, 911 will be called and the parent will be contacted to give further instructions. If unable to contact the parent, the careperson will refer to the emergency names and numbers supplied on the application.

MOESC urges all parents to enroll their child(ren) in the voluntary student accident insurance program. Forms for this insurance are generally available through your child(ren)'s school and are at a nominal charge. **MOESC is NOT responsible for doctor, emergency medical or other bills incurred as a result of an accident during SACC Program hours.**

REMINDER: Please keep your authorized pick up list and emergency contact information current and up-to-date with the SACC business office @ 732-389-3192 ext 1090.

Also, keep the office informed if you make any changes regarding your personal contact information (i.e. home, work or cell number).

SACC EMERGENCY CLOSING PROCEDURES

School Year 2010 - 2011

1. The program will not operate when district schools are closed or dismissed early due to severe weather conditions. The public school district will be responsible to inform the parents of the SACC Program closing when they initiate their public school snow chain. The public school will include the following when the calls are made, *"...after it is stated that the school will be dismissed early, to include that the SACC Program will be closed also."* It is your responsibility to make sure your name is on your public school snow chain.
2. If school remains in session but after school activities are cancelled by the district, then SACC will be cancelled also. The SACC Careperson will make the phone calls to the parents and will remain at the program until all children are picked up early.
3. If there is inclement weather on a scheduled ½ day and the school will remain in session until (i.e. example 1:30, early dismissal time), it will be decided by MOESC if the SACC Program will remain open from 1:30 - till end of program time. If MOESC closes the program, MOESC will notify the parents to inform them to contact an authorized/emergency pick up person. The SACC Careperson will arrive at the school at the scheduled early dismissal time and will remain at the program until all the children are picked up early.
4. MOESC's SACC staff will contact each elementary /middle school to confirm a contact person along with telephone number/extension, and fax number. We will mail to each school a current child directory to contact parents in the event of an emergency.
5. MOESC's SACC Careperson's will be informed of the above procedures.
6. MOESC's office and the SACC staff has notified the parents of the importance of updating contact telephone numbers, in addition to having available an authorized emergency pick up person who lives within 10 minutes from the school. SACC will continue to remind parents of this request.
7. In the event of an emergency situation other than weather related where MOESC decides to close the SACC Program, the SACC Carepersons will arrive at the school at the regular scheduled SACC Program time. Phone calls will be made by MOESC to notify parents of the emergency situation and the need for them to pick up their children. If MOESC is unable to confirm with parents about the emergency closing, our Careperson will remain at the school until all children have been picked up.

M-OESC will provide enrichment activities in the following areas:

ENROLLMENT PROCEDURES / SCHEDULE CHANGES

The SACC PM Program enrollment is open to children attending the PM session of kindergarten and children who attend the elementary school where the SACC Program is being offered.

In order to apply for enrollment into the SACC Program, you need to submit the completed SACC application (signed, notarized & dated) along with the appropriate fees. The parent handbook is distributed with the SACC application. Upon receipt of your completed application, we will notify the parent of their child's acceptance into the SACC Program. The parent will receive the confirmation notice and tuition payment forms. **If confirmation notice is not received, call the office to verify the start date for your child.**

SACC will not deny admission to, terminate enrollment of, or otherwise discriminate against any child because of that child's disability. The SACC Program aims to provide accommodations for children who require special services during their attendance at the SACC Program. The SACC Program reserves the right to terminate the SACC Program for any child where the child's safety is believed by MOESC to be at risk.

A parent may enroll a child at any time during the course of the school year. 5-day, 4-day, 3-day, 2-day and 1-day programs are available. **Changes must be cleared at least one week in advance through the MOESC office by telephone at 732-389-3192 ext 1090.** During high registration times (August/September) no changes will be accepted to your application for the month of September once the original application has been processed. **There will be no exceptions.**

When changing your authorized pick up person (*adding or deleting*) on the list, the change with the name and phone number of the additional person(s) must be received in writing in the MOESC office first (via fax at 732-389-3854 or mail). **It is not effective unless received in writing.**

There is no "make up" time for absences due to illness or other reasons. Any changes in the initial arrangements must be made through and with the permission of the MOESC office.

School Age Child Care Program Description

The SACC Program is a supervised and reliable *before & after* school care program for children in grades Preschool – 5th grade. Programs will include grades 6, 7, and 8 based on the individual needs of the school district. The SACC Program, which is operated by M-OESC, stands separate and apart from the school district.

A parent may enroll a child at any time during the course of the school year. 5-day, 4-day, 3-day, 2-day and one day programs are available. Attached please find the list of School Age Child Care Programs and times. Not all locations have morning SACC Programs. The SACC Program will operate following the school calendar of the school in which the SACC Program is operating. The SACC Program will be open on scheduled early dismissal days from time of early dismissal until normal SACC dismissal time. The SACC Program is closed on school holidays. In the event of early closings due to emergency situations, the public school is responsible to contact the parent/guardians. If severe weather occurs on scheduled half days, M-OESC will follow district policy. It is the parent's responsibility to make arrangements for child care during these times.

The SACC Aftercare Program will provide the children with a supervised environment in an informal setting. There will be time provided for homework, indoor/outdoor activities, arts & crafts, games etc. The SACC Program has a ratio of 15 children to 1 SACC Careperson.

SACC will not deny admission to, terminate enrollment of, or otherwise discriminate against any child because of that child's disability. The SACC Program aims to provide accommodations for children who require special services during their attendance at the SACC Program. The SACC Program reserves the right to terminate the SACC Program for any child where the child's safety is believed by M-OESC to be at risk.

Tuition is paid by the parents. First and last month's deposit along with a registration fee is required at registration. Children's attendance at the SACC Program will be terminated because of non-payment of tuition, late fees, etc.

The SACC Program follows the children's behavior policy in order to provide for the safety of each child and M-OESC staff in attendance at our SACC Program.

A serious disciplinary problem is defined as one in which a child is hampering the smooth operation of the SACC Program by:

1. Requiring constant one-to-one attention
2. Inflicting or threatening physical or emotional harm to a child or children
3. Physically or verbally abusing a child or children and/or the staff
4. Destroying program material and/or facilities
5. Leaving the program without permission or without an authorized pick up person
6. Not conforming to the rules and guidelines of the program
7. Using profanity
8. Suspension from the regular school program

It is the SACC Program's goal to resolve behavioral problems by working with the child(ren), parent and careperson's through effective communication. However, should a discipline problem arise, continue, or be of a serious nature, parents will be notified in writing. Continued difficulties will result in a conference between parents and SACC personnel. If the problem is not resolved or is of a severe nature, a child may be suspended or terminated from the SACC Program. M-OESC follows the zero tolerance procedures set forth by the public school district for students and parents.

Parents should send a daily nutritious snack with their child(ren). Please do not send candy, gum or what is generally classified as "junk food". Time for snack will be part of the daily PM session's schedule.

Any special dietary need will be the parent's responsibility. The parent should discuss this matter with the Program Careperson at the onset of the program.

Remember, on early release day's lunch may not be served in the school; therefore, the children may need more than a snack during our program.

In the event that a SACC Program has a child enrolled who has a severe life threatening food allergy to peanut butter, peanuts, and tree nuts, MOESC will ask the parents of all children in the program to provide snacks, which are nut free.

Parent's cooperation is appreciated in helping us to maintain a safe environment for all children.

TERMINATION PROCEDURE

Termination For Children:

Parents are required to give advance telephone and written notification to the MOESC office, of withdrawal from the program, stating effective date. Refunds are given for paid tuition if appropriate.

MOESC reserves the right to terminate a child from the program at any time. Reasons for termination may include, but not limited to:

1. non-payment of tuition, late fees or any outstanding balance
2. severe disciplinary problems
3. reoccurring late pick up of children
4. program closing

Termination of SACC Program:

MOESC reserves the right to terminate a program for under enrollment, if a program remains under enrolled after an attempt was made to increase attendance. Parents will be notified in writing and given 30-days prior notification of closing.

Refunds are given for paid tuition if appropriate.

TUITION

The first and last month's tuition is due on the first day of the month of enrollment. This procedure extends to any and all registrations.

The monthly tuition is due on the 1st of every month. MOESC grants a 10-day grace period for the US Postal Service and the Bank to process your payment. After the 10th of each month, a \$30 late charge will be assessed to all accounts with a balance. On the 11th or 12th of each month a courtesy phone call is made to each parent/guardian to inform them that their payment has not been received. **If the payment is not received by the 15th, cancellation will become effective on the 16th.** (MOESC reserves the right to adjust dates for payment according to holiday schedules) Cancellation will remain until the entire payment is received. If cancellation occurs, the Careperson at your school will be notified via fax alerting them to the situation.

Monthly tuition will not be reduced for school holidays, emergency closing, absence or early pick-up. MOESC will determine if there will be a reduction in monthly tuition for extended illness.

Return the correct tuition form clearly and in its entirety in order to properly credit your account. Payment and tuition forms should be mailed to the following:

Monmouth-Ocean Educational Services Commission
Attn: SACC Program
100 Tornillo Way – Suite 2
Tinton Falls, NJ 07712

*** We Do Not Issue Invoices / Bills ***

Please pay by check or money order payable to MOESC. Do not send cash. **Carepeople at the program are not permitted to accept any form of payment. No post-dated check will be accepted.**

All checks returned to MOESC as unpaid for any reason, will result in a charge of \$35 per item to the check issuer. There will be no exceptions to the \$35 fee for returned items. The first time a check is returned, we will redeposit the check with the parent's permission as a courtesy. If that check is returned a second time, the child will be terminated from the program until payment of balance is received in full. That payment and future payments must be paid with cash, money order or certified check.

Children's attendance at the SACC Program will be terminated because of non-payment.

If making your tuition payments with your bank online, it is your responsibility to make sure the payment is in our office by the 1st of each month. Banks vary with their processing time.

SACC is a tuition-based program. Your tuition is determined by the schedule you sign up for (i.e. number of days/pick up time). Tuition is based on the school's calendar by our board of directors and it is then divided into equal payments with each being due on the 1st of the month with the exception of the 1st and last month which are due prior to child(ren) starting the program.
